Register online:

kstockme@purdue.edu

Preference will be given to water and wastewater
facility personnel.

Driving directions and parking instructions are
available at the web site (www.conf.purdue.edu,
“Attending a Conference”).

Space is limited, please register by October 22.

***Purdue University is an equal access/
equal opportunity institution***

EPA's Office of Water and Region 5
sponsor an

Innovative Energy Management Workshop

*How to Reduce Energy
Use and Increase Savings
for Water and Wastewater
Treatment Plants in
Indiana*

**October 29, 2008
Purdue University—Stewart Center
West Lafayette, Indiana**

8:30 a.m.–4 p.m.

The workshop will help utilities **LEARN HOW TO:**

- ◆ Develop energy management programs
- ◆ Prioritize energy improvement
- ◆ Set measurable energy goals to reduce consumption
- ◆ Manage energy to reduce operating costs
- ◆ Establish a plan to follow through on priority energy management goals

Each workshop participant will receive a copy of
the U.S. EPA Guidebook

**“Ensuring a Sustainable Future: Energy
Management Guidebook for Wastewater and
Water Utilities”**

[http://www.epa.gov/waterinfrastructure/better
management_energy.html](http://www.epa.gov/waterinfrastructure/bettermanagement_energy.html)

(January 2008)

The Workshop will include:

- ◆ Interactive instruction on using MANAGEMENT SYSTEMS APPROACHES to reduce energy use
- ◆ Opportunity to learn from experienced utility representatives on energy performance improvements and associated cost savings
- ◆ Identifying follow-up opportunities for utilities taking action

Follow-up:

- ◆ On-site technical support with pilot utilities
- ◆ Energy Star Benchmarking assistance
- ◆ Follow-up information session

This workshop has been approved for 6 technical contact hours by IDEM Drinking Water Branch (CE Approval No. PWST08-3457) and 5.75 general contact hours by IDEM Wastewater Operator Certification (Approval No. WWWT08-T00-G5.75)
